Unique Features of Westlaw India

CITATOR: For easy reference to the status of any judgment of Supreme Court or High Courts, Westlaw India has provided an added feature i.e. Citator which provides the following facets:

Appellate History

This feature not only provides the status of a judgment i.e., whether it was Mentioned by, Referred by etc. but takes the user to the judgment through a link.

Status Icons

These appear within your search results list and at the top of the case document, so you can instantly tell the status of a case.

 Indicates that the decision has received positive or neutral judicial consideration and is good law.

 Indicates that at least one point of law has been overruled or reversed. This is an immediate notification that the case is no longer good law.

Moreover, to let the user quickly identify landmark judgments,  **indicators are provided for judgments passed by a bench of more than 5 judges (constitutional bench).**

Hyperlinks to all the central and selected state legislation cited in the judgment.

Cases in PDF

All law reports series published by ICLR on Westlaw UK are available in full text and in PDF (archive dates back to 1865). Where PDFs are available, you will see next to your search results. There will also be an option in the top right of the case document.

NOTE: The Status Icon (Citator) is available for selected Indian judgments

Current Awareness

Westlaw India provides for a Current Awareness section. This section lists down the latest Cases and Legislation available on the site. It provides an option to view all the Cases or the Legislation in the last 28 days. Apart from this, it also provides for a daily 'News' section pertaining to legal and business areas. Indian Union Budget is also updated under this section with detailed description.

Breadcrumb Trail

To help you keep track of where you are and how you got there a breadcrumb trail appears at the top of the screen. If you want to retrace your steps without running another search, simply click on one of the links. There is a breadcrumb trail no matter where you are on Westlaw India and no matter what you are doing.

Seamless connection between databases

You can do multi jurisdictional searches across India, UK and EU. Extensive hyper-linking on the service will take you directly to UK judgments referred to in Indian cases as well as UK legislations referred to in Indian judgments

Intuitive Searching

Depending on whether you are looking for something general or something very specific, you can tailor the type of search that you carry out. Using our Advanced Search option you can narrow a search down to a case name or the provision number of an Act.

Print, Download and E-Mail

Once you have found the information that you need you can easily print, download or email it. This function is available on all documents and search results in all sections of Westlaw India.

Access anywhere, anytime

You can log in to Westlaw India from any PC, whether at home or in the office. Westlaw India is also Blackberry, Android, Iphone & Ipad compliant, so if you are on the move you can still get access.

Coming soon
